The Ref: number is your unique patient ID.

Your name and address

These items were issued on the date that the slip was printed (04/06/2003). The prescription is to be collected from **Boots**

(6/6) means that this item has been issued six times. The last issue of this item (Prev:) was 2 months ago. This item can be re-ordered until the expiry date, which is **Exp: 21/11/03**

This is a new item, and can only be issued once - **(1/1).**
It is **not** a repeat prescription, and must be reauthorised by your doctor

These are your remaining repeat medications items.

An item may need to be reauthorised by your doctor before further prescriptions are issued if the expiry date is up.
Your doctor may ask to see you for review of your medication before issuing any more prescriptions.

The doctor who issued this prescription.

Watch for messages here!
Some local pharmacies provide a prescription collection service. This means that you may pick up your tablets direct from the pharmacy. Please ask at reception for more details.
